

Drawing 1: Beginning Course (Introduction)

Material List

Revised July 2023

A material list has been created for you on the Dick Blick website. Merely go to the Dick Blick link at the bottom of this page (Copy and paste the URL) and print out the list. Most items listed are available online also at Amazon, Jerry's Artorama, and Cheap Joe's. North Idaho has no art stores and Michael's is very limited on selection and is usually 30% to 50% higher priced than Blick, Hobby Lobby, and online outlets. Spokane Valley has a Hobby Lobby with some of the same materials (check prices online on Sundays for weekly discount coupons). Spokane also has Spokane Art Store but has very limited brands and selection. The best brick-and-mortar store is Blick's Seattle location with a five hour's drive from North Idaho.

Wherever you decide to buy, be sure that you get the required sizes and quality of pencils, charcoal, erasers, blenders, and papers. Take your printed-out list (on Blick website) with you after you cross out the items you already have.

The Blick ordering page has the correct amounts already indicated in the "BUY" box. If you need all the "REQUIRED" items, just click "ADD TO CART". If you already own some items, just remove the "BUY" amount from that box and type in "0" amount for that item.

If ordering from Dick Blick on line, do it prior to two (2) weeks before first class meeting—Blick shipping is not like Amazon. If you miss this deadline or are ordering late, take your list and go to a store and ask for help.
